

NOVAtime 3000 Enterprise Edition

NOVAtime

The Complete Time and Attendance / Workforce Solution for Companies of All Sizes

NOVAtime 3000 Enterprise Edition is the best-valued and comprehensive time and attendance / labor costing system in the market today! It includes two major components: NOVAtime 3000 Client Server Application (accessible from your desktop) and NOVAtimeAnywhere™ (accessible through web browsers). NOVAtimeAnywhere™ includes Employee Web Services, Supervisor Web Services, and Administrator Web Services. It is an optional web browser user interface that is equipped with an advanced yet intuitive interface via dynamic web environments, configurable screens, spreadsheet-like entry, and much more.

- Scalability... Whether you have less than 100 employees or more than 100,000 employees
- Integration... Employees punch in Los Angeles Supervisors approve and review timesheets in Miami, Payroll is processed in New York, Reports are printed in Cincinnati.
- Seamless Deployment... Easily installed and distributed. It's easy to support changes and to facilitate access, whether your organization is centralized or has many remote locations.

Unleash Your Computing Power with NOVAtime 3000... Whether entering information or printing reports, it's at your fingertips anywhere in the world when you need it!
